Adam Hi
I've enjoyed the conversation as well. I'm ready to hear any further ideas for cooperation. Including those you've mentioned during the telco. However I noted that in the future we probably have to have a signed NDA before we start talking concretely.
In any case re The IL 70-95 BCM gas field/s please let me know if you (Abel+ others) are interested in moving forward together or not.
Best
Ehud Barak
